

See Results In Minutes.

Experience a revolutionary breakthrough in the beauty industry. QVC, the world's leading electronic retailer, enhances your product's natural features and can generate astounding sales figures during our beauty programs.

See the results for yourself:

over 5,000 \$54 color make-up collections sold in 15 minutes

over 25,000 nail care kits sold in one day

more than 20,000 anti-wrinkle creams sold in just 12 minutes

more than 30,000 bottles of eau de parfum sold over two days

And we want to continue to introduce exciting new products to our 62 million American households. Your product could be next. Contact Vendor Relations at 610-701-8330 to see if QVC can work wonders for your figures.
